

## LAUNCH A CAREER EXPLORATION EXPERIENCE For Your Student

A powerful subscription program for your student's future from the largest association of career and technical educators – ACTE.

Visit [actestemparent.com](http://actestemparent.com) for details and subscription pricing.

**83% of students find people working in professional fields to be the most helpful source of advice but only 20% get advice from these professionals. It's time to look for more ways to give students opportunities to 'try on' jobs.**
